INTERNATIONAL

We can handle all your INTERNATIONAL delivery requirements

For all other delivery destinations please call our office at (416) 363-3278 for a quote.

All inbound freight must have a phone number & contact name for pick up, contact must be on site at the pick up to fill out the waybill.

We request a phone number & permission to place package in a mailbox or between the doors at residential deliveries if no one is home. This will save you redelivery charges. Without your permission, we will not leave a package at the destination without a signature. It will be held for redelivery or be returned to you.

******* All quotes are an estimate – price could change re: weights & size of package. *******
